

# MetroROMAN®

MetroROMAN® Patent No.: US D526,727 S

**Graceful beauty that captures the spirit & strength of the Empire.**

Whether you choose MetroROMAN®, Metro TILE®, MetroSHAKE® or MetroSHINGLE®, they all create a timeless, long-lasting roof system for your home. From the true Mediterranean tile look without the excessive weight to the hand-split rustic appearance of MetroSHAKE® or the clean crisp lines of MetroSHINGLE® all are durable, fast to install and require minimal maintenance.

## A Company You Can Trust

Metro roof panels are backed by a 50-year limited warranty to stand against the elements. We know that installing a new roof isn't the end of the story. Your satisfaction is ultimately our success. Our warranty serves as a reminder that we're building a relationship – and relationships take time. At Metro our philosophy is pretty straightforward – listen to the customer, design to meet the needs, manufacture to the highest quality and back it all with the best warranty in the business! We take pride in our products and it shows – everywhere a Metro roof stands!

# WHY METRO?

MetroSHAKE® Weathered Timber

MetroSHINGLE® Birch-II

MetroROMAN® Mission Gold

Metro TILE® Mission Red

Smart Roofs for Smart People

## MetroSHAKE®

***A design to suit any architecture.***

Metro's stone-coated Galvalume® steel roof comes in uniquely designed profiles to suit any home. They can withstand hail, rain, snow, fire and wind, all while providing greater long-term savings and peace of mind. Metro panel profiles are available in a select highly reflective color range that meets Energy Star® requirements. The Metro Shake, Tile & Roman designs can be installed on battens or direct to the roof deck, providing a minimum ¾-inch air space beneath the panels, and Above the Roof Sheathing (ASV), for a really cool roof, that meets the stringent California Energy Code (Title-24) for 2011 and beyond.

## MetroSHINGLE®

MetroSHINGLE® Patent No.: US 6, 269, 603

***A green roof product designed for the future.***

Metro panels are made from the world's most recycled material – Steel! The oil-free natural granite stone granules are graded to Metro's unique 18-grade size to provide a tight coating that enhances the panels pressed details and ensures long-life durability. A Metro roof will enhance your homes appearance and value and is backed by a 50-year limited warranty and a 25-year limited appearance warranty. All panels come with an attractive stone coating embedded in a UV resistant acrylic polymer for a lasting bond to the steel.

## Metro TILE®

Metro TILE® Patent No.: US D527,835 S

***Advanced materials in an old-world design for any roof.***

Metro TILE® panels provide the graceful scalloped curves of a low-profile tile look in an exceptionally strong, lightweight roof system suitable for any home. With integrated stone-coated accessories that match perfectly with your roof. Metro has you covered from any angle, so call your local roofing contractor or Metro distributor today for a presentation on these unique roof panels and accessories and your roof will be glad you did.
