Cedar Gray

Our wood grain metal finishes combine the timeless look of natural wood with the strength, longevity, and low maintenance of metal.

Designed to replicate the texture and tone of real wood, these finishes provide a warm, classic aesthetic without the maintenance concerns of traditional wood materials. Ideal for both interior and exterior applications, each sample on this chart showcases the depth, grain variation, and color richness you can expect.

Whether you're aiming for a rustic look or a modern, wood-inspired accent, our wood grain options deliver long-lasting style and performance.

The colors on this chart are intended only as an approximation of actual colors. Exact color chips can be supplied, if required.
